here's the great result and update: Almost a quarter of a million masks have been designed through a process that included community leaders and organizations in the areas where they will be given out. They have been ordered and will be here within 10 days Happy to send you the design for the officers/adults and kids covid masks

Our mutual friend, Matt Johnson, via his Covid emergency authority group, is handling details to expedite their acquisition & distribution to LAPD

***both of the \$50,000 contributions , per Matt, should be payable to the Mayors Fund. Deidre Lind is the person who Matt said would coordinate

The entity that the mayors Fund will be purchasing from will be provided by Tom Penn

Regards and thanks for all you do for the underserved of Los Angeles and, of course, the LAPD

All the best
